The Fair Starting Line

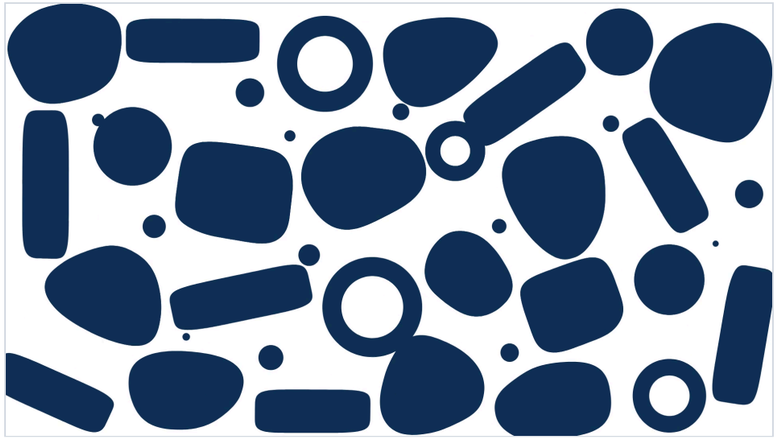

Ten wallets. One funder. One limit.

1920×1080 · 16:9 60 FPS · 1,800 FRAMES H.264 · AAC 48 KHZ FRAGMENTATION → DISCOVERY → CONNECTION → ENFORCEMENT → FAIRNESS → BRAND

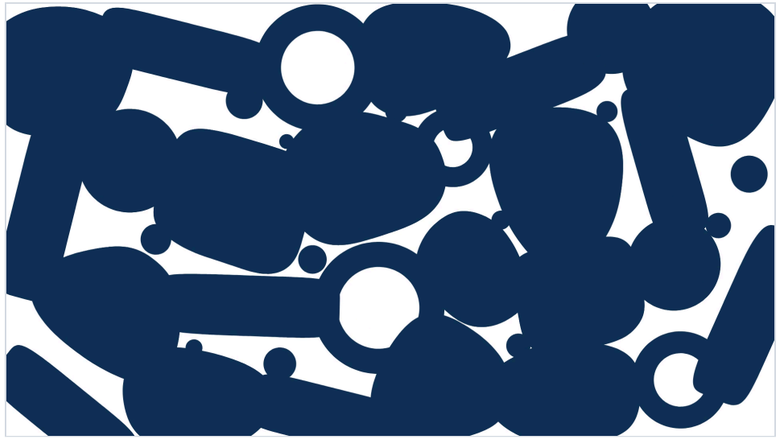

Keyframes are taken from the final rendered video. Product claims follow the Kin site and repository: wallets funded by the same source share one buy limit, enforced in the pool by a Uniswap v4 hook; launches run on Base Sepolia (testnet). Kin links wallets by funding, not by identity, and makes splitting costly and visible; it does not claim to catch every split.

STORY

A white canvas. Navy organic forms (pebbles, capsules, discs, rings, eggs) arrive one after another from the centre outwards, each stretching and then relaxing into place; small dots pop in between. The field turns a few degrees as one, then swells until navy floods the frame.

COMPOSITION

Full-bleed pattern on a loose grid; white negative space between forms until the flood.

MOTION DIRECTION

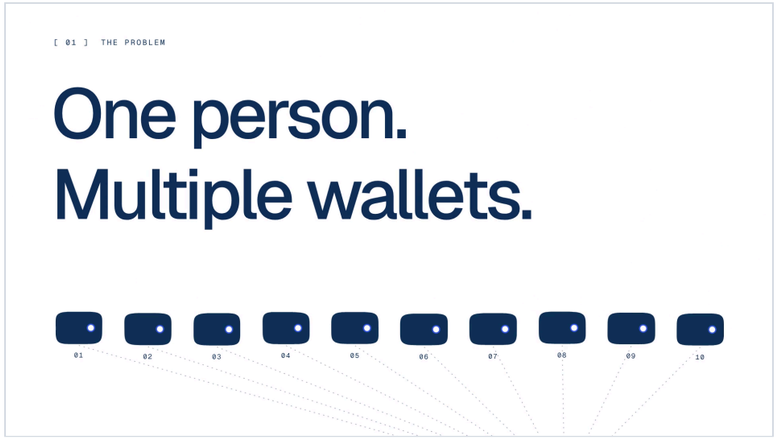

Grow on expo-out, settle on quint in-out, a stagger of ~3.4 frames by distance from centre; dots on a soft back-out. The swell is the scene's single big gesture.

SOUND

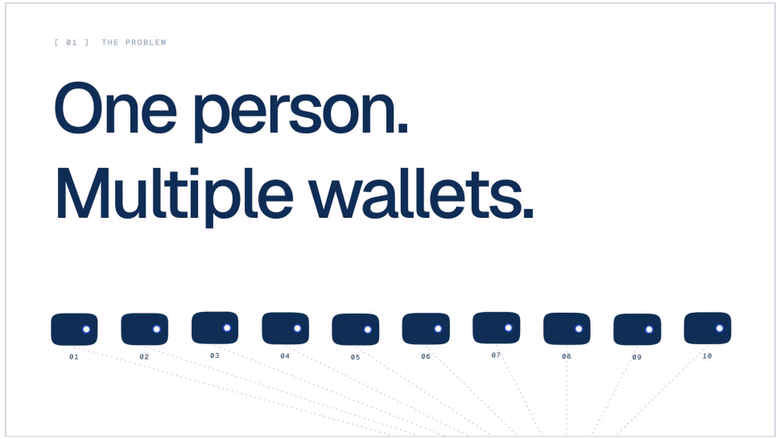

Air and a low drone; soft plucks as forms land; a low swell into the flood.

KEY 00:05:00 · F300

KEY 00:07:00 · F420

KEY 00:07:50 · F470

STORY

The flood opens: most forms fly outward and vanish, ten of them morph into identical wallet slabs that land in a row. “One person. / Multiple wallets.” rises through masks. The wallets drift apart; labels count 01 to 10; their clasps turn blue together and faint lines run down towards one hidden point below the frame.

COMPOSITION

Oversized two-line headline top left on the 12-column grid; the row of ten across the lower third.

MOTION DIRECTION

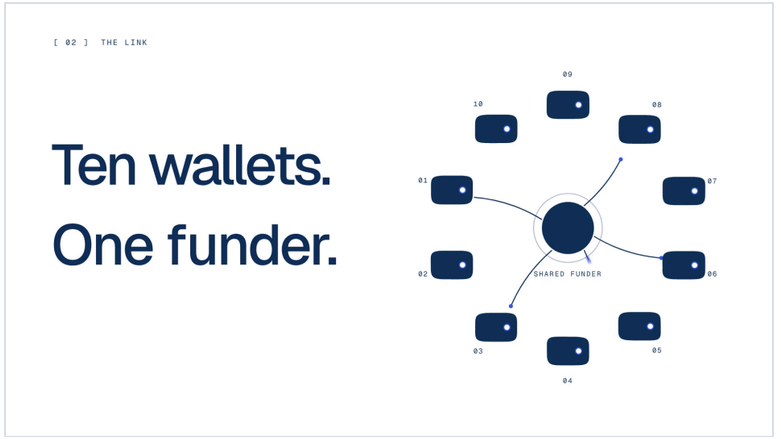

Radial exits on expo-in; arcing morphs into the row; directional spread; typed mono labels.

SOUND

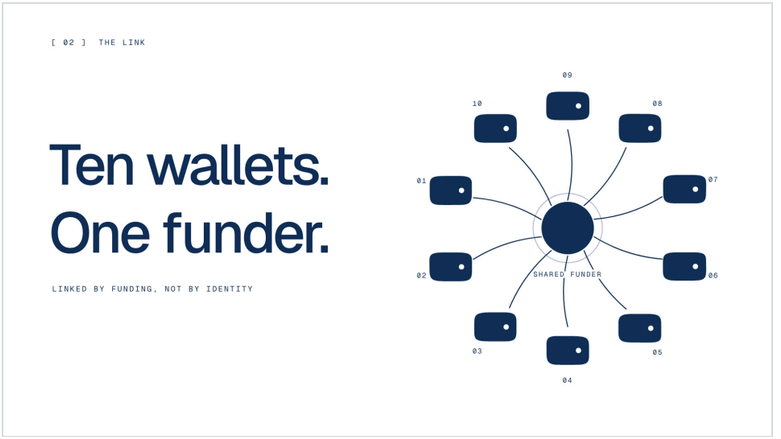

A muted pulse at 120 BPM; a tick as each wallet lands; typed clicks.

KEY 00:09:00 · F540

KEY 00:11:20 · F680

KEY 00:12:40 · F760

STORY

The ten wallets sweep round together into a circle (their order is kept, so nothing crosses). From the point the hint lines pointed to, the funder rises into the centre. Funding links draw out to every wallet one by one, a blue pulse running along each. “Ten wallets. / One funder.”

COMPOSITION

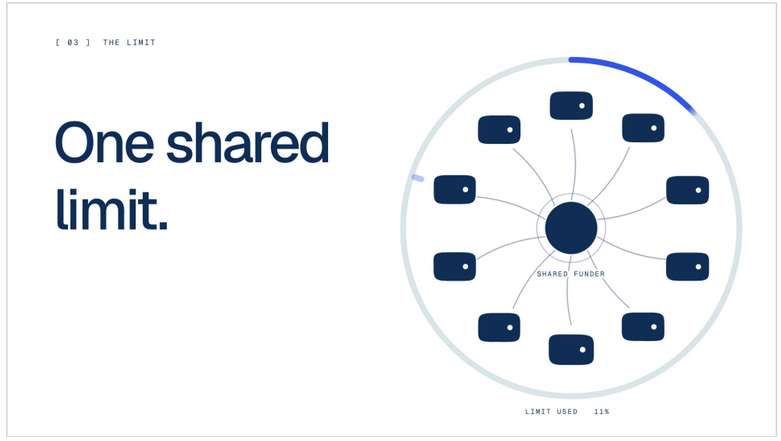

Headline left, network right of centre; a mono caption: linked by funding, not by identity.

MOTION DIRECTION

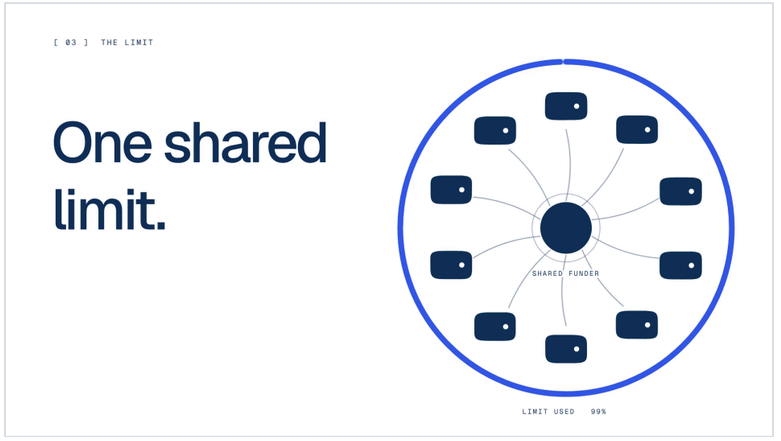

Polar sweep (radius and angle interpolated, with an outward bulge); funder on back-out; links drawn with a leading dot.

SOUND

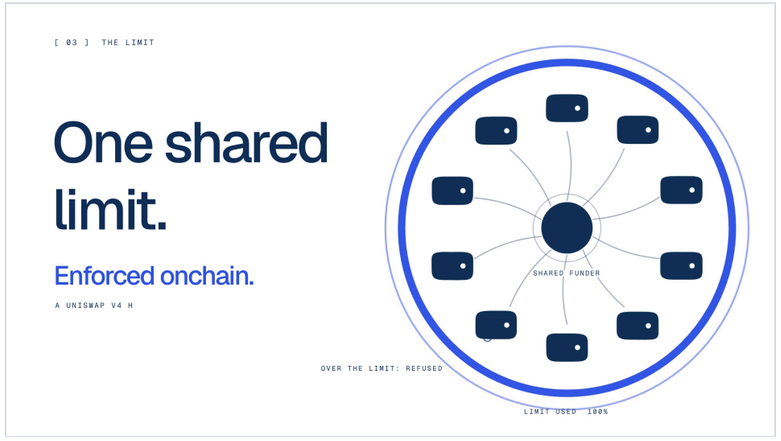

A sweep as the wallets circle; a low bloom as the funder lands; one rising ping per link.

KEY 00:14:40 · F880

KEY 00:16:40 · F1000

KEY 00:17:30 · F1050

STORY

A ring draws around the whole group: one shared limit. Wallets buy in turn; each buy travels out to the ring and adds to one blue arc, whoever sent it. When the arc closes, the next buy reaches the ring and is refused: it bounces back hollow while the ring flashes. “One shared / limit.” then “Enforced onchain.” with: a Uniswap v4 hook in the pool refuses any buy over the limit.

COMPOSITION

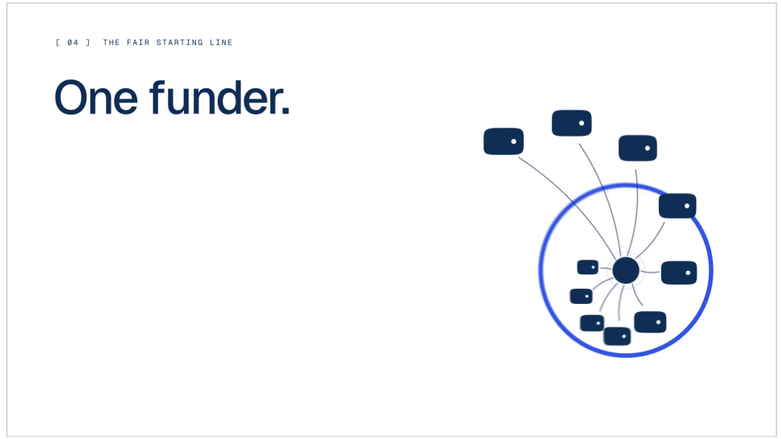

The ring is the single strong boundary; a mono readout counts the limit used; the refusal is labelled beside it.

MOTION DIRECTION

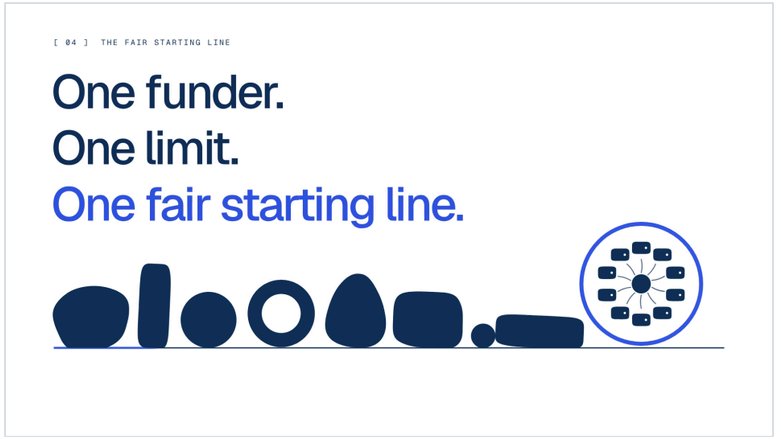

Buys on expo-in, the arc on expo-out; the refusal is a reversal plus an outward echo of the ring, not a warning panel.

SOUND

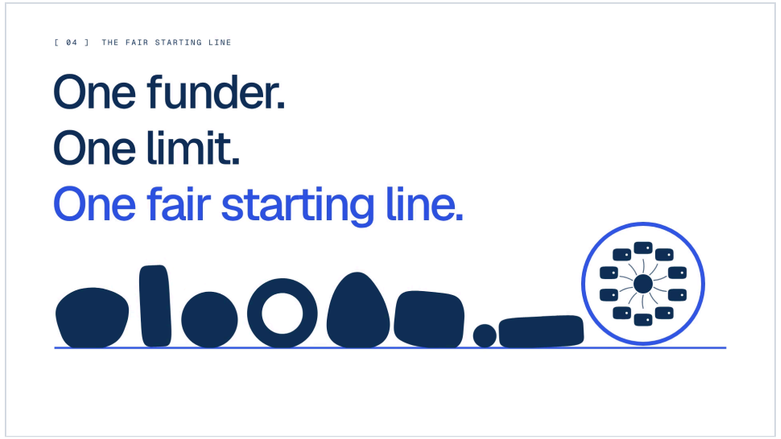

The ring's rising draw; a precise click per buy, pitch rising as the limit fills; a firm, damped refusal.

KEY 00:20:00 · F1200

KEY 00:22:10 · F1330

KEY 00:23:40 · F1420

STORY

The network contracts into a compact emblem: one ring, one funder, ten wallets. A single line draws across the frame and the pattern returns: forms rise out of the line and stand on it side by side, the emblem among them. “One funder. / One limit. / One fair starting line.” The line turns blue under the last words.

COMPOSITION

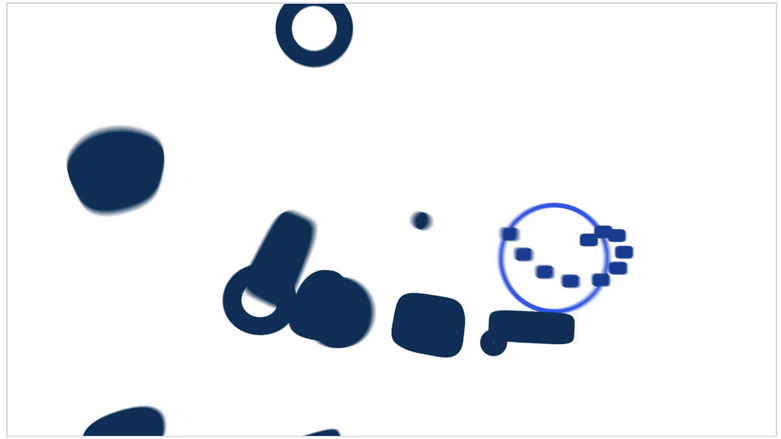

Three-line headline dominating the upper half; the starting line at the lower third; generous white space.

MOTION DIRECTION

Emblem moves on quint in-out; forms rise through a clip at the line with slight overshoot; gentle breathing at rest.

SOUND

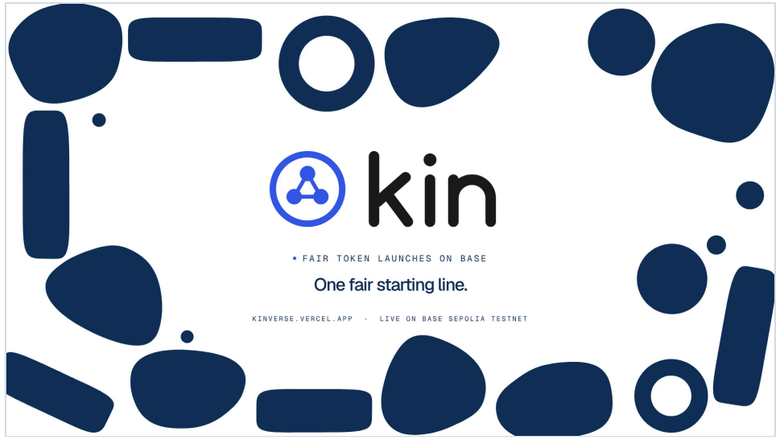

A warm D(add9) pad: the lift; a shimmer as the line draws; soft plucks as forms rise.

KEY 00:25:00 · F1500

KEY 00:26:50 · F1610

KEY 00:29:59 · F1799

STORY

The forms on the line fly out to become a frame of the pattern around the edges. The emblem's ring shrinks into the Kin mark's ring; the ten wallets merge into its three dots; the triangle draws between them. The wordmark draws stroke by stroke from the original logo. “Fair token launches on Base”, “One fair starting line.”, and the address with its status (Base Sepolia testnet).

COMPOSITION

The original logo (brand/kin-logo-on-light.svg) centred; the pattern frames it; the final frame stands alone as a brand visual.

MOTION DIRECTION

Arcing morphs into the frame; wallets to dots on quint in-out; strokes drawn on expo-out; a slight final breath on the logo.

SOUND

A gathering swirl; three bell tones as the three dots form; the Kin motif (a rising triad and its octave); a long resolve.
